Hackathon Committee Constitution

General Requirements

1. All members of the hackathon committee must:
    - **a.** Be a matriculated student enrolled at Stony Brook University working towards an undergraduate degree, from the time of being appointed to the time of the hackathon
    - **b.** Hold only 1 position within SBCS (including executive board, non-executive board, and any committees, but excluding Reps) unless approved otherwise by SEA.
        - **i.** A Hackathon Committee Member can be both a Rep for SBCS and a committee member.
    - **c.** Be in good standing with the University. Sanctions of University Probation or higher, or a sanction restricting participation in clubs/organizations or from holding leadership positions, disqualify students from serving in an executive board or leadership position.
    - **d.** Have at least a 2.5 GPA
    - **e.** Serve as a committee member from the time of their appointment until all hackathon-related responsibilities, including post-event duties, have been completed.
        - **i.** If a committee member is expected to graduate before the completion of all hackathon-related responsibilities, including post-event duties, they are ineligible to serve on the committee.
2. The Hackathon Committee will comprise of the following positions: Hackathon Director, Deputy Hackathon Directors (x2), Hackathon Logistics Officers (x2), Hackathon Finance Officers (x2), Hackathon Communications Officers (x2), Hackathon Creative Officers (x2).
    - **a.** These positions will be referred to as the position titles but may omit the “Hackathon” part of the name for ease of use.
3. The Hackathon Committee must meet regularly, independent of the SBCS e-board, to discuss proceedings related to the hackathon.
4. Members of the Hackathon Committee are prohibited from running in SBCS Elections in the spring unless they resign from the committee upon being elected to a new position.
    - **a.** In the event a Hackathon Committee member resigns, a new member will be appointed through a selection process called upon by either the Hackathon Director or the SBCS President.

Section XII.A Committee Hierarchy

1. The Hackathon Committee hierarchy defines who reports to who and who will pick up responsibilities in the event a committee member becomes unable to fulfil their duties.
2. See the below diagram that visualizes this hierarchy. Arrows pointing to a top position from a bottom position represent the bottom position reporting to the top position. The top position will pick up the responsibilities if the bottom position is unable to do so until a new committee member can be appointed.

Arrows point to the reporting role's supervisor. Additional SBCS board contacts are listed in the boxes.

Section XII.B Hackathon Director

1. The Hackathon Director is considered a member of the non-executive board for SBCS, and as such, must also fulfill the general requirements of the non-executive board.
    a. The Hackathon Director is required to attend weekly meetings with the rest of the executive board.
2. The Hackathon Director must communicate to the rest of the executive board on all proceedings and planning happening within the hackathon committee.
3. The Hackathon Director must oversee the hackathon committee, lead committee meetings, review all proceedings related to the hackathon, delegate tasks to the committee as necessary, and ensure the committee is meeting required deadlines.
4. The Hackathon Director must also communicate with any external sponsors with the help of the Communications Officers.

5. All members of the Hackathon Committee will report to the Hackathon Director through their respective Deputy Hackathon Directors. If a committee member is unable to fulfill their responsibilities, the respective Deputy Hackathon Director will temporarily oversee those responsibilities until a replacement can be appointed. If a Deputy Hackathon Director is unable to fulfill their responsibilities, the Hackathon Director will be in charge of those responsibilities until a replacement can be appointed.
6. The Hackathon Director will report to the SBCS President. If a Hackathon Director is unable to fulfill their responsibilities, the SBCS President will be in charge of director's responsibilities until a new one can be appointed in a special election process called by the SBCS President

Section XII.C Deputy Hackathon Directors

1. There will be 2 Deputy Hackathon Directors.
2. One Deputy Hackathon Director will oversee the Logistics Officers and Finance Officers, while the other will oversee the Communications Officers and Creative Officers.
3. The Deputy Hackathon Directors will be responsible for supervising their respective officers, coordinating tasks, monitoring progress, and ensuring deadlines are met.
4. The Deputy Hackathon Directors will assist the Hackathon Director in planning and organizing the hackathon and carry out additional responsibilities as assigned by the Hackathon Director.
5. The Deputy Hackathon Director overseeing Communications and Creative will also be responsible for proposing the hackathon theme, reviewing promotional materials, and overseeing advertising efforts.
6. The Deputy Hackathon Directors will report directly to the Hackathon Director. If an officer is unable to fulfill their responsibilities, the respective Deputy Hackathon Director will temporarily oversee those responsibilities until a replacement can be appointed.

Section XII.D Logistics Officers

1. There will be 2 Logistics Officers
2. The Logistics Officers will be responsible for organizing the hackathon schedule, coordinating with event volunteers, coordinating collaborating clubs/on-campus organizations, creating and maintaining the hackathon Devpost, and creating the hackathon Discord.
3. The Logistics Officers will report to the Deputy Hackathon Director overseeing Logistics and Finance, the Hackathon Director, and the SBCS Secretary.

Section XII.E Finance Officers

1. There will be 2 Finance Officers.

2. The Finance Officers will be responsible for laying out the hackathon budget, prepping grant materials and presenting to the USG, and drafting invoice/placing orders.
3. The Finance Officers will be responsible for communicating with external vendors regarding hackathon-related orders.
4. The Finance Officers will be responsible for communicating with the SBCS Treasurer in regards to invoices, grants, and any usage of SBCS funds.
5. The Finance Officers will report to the Deputy Hackathon Director overseeing Logistics and Finance, the Hackathon Director, and the SBCS Treasurer.

Section XII.F Communications Officers

1. There will be 2 Communications Officers.
2. The Communications Officers will be responsible for handling student inquiries about the event, procuring and coordinating judges, and communicating with venue management.
3. The Communications Officers will also be responsible for assisting the Hackathon Director in communication and outreach with external sponsors
4. The Communications Officers will report to the Deputy Hackathon Director overseeing Communications and Creative, the Hackathon Director, and the SBCS Vice President.

Section XII.G Creative Officers

1. There will be 2 Creative Officers.
2. The Creative Officers will be responsible for designing all art, creating promotional videos/photos, and posting information about the hackathon to all social media platforms (e.g. Instagram, Discord, LinkedIn, etc).
3. The Creative Officers may also assist the Logistics Officers in creating the Devpost and Discord for the hackathon.
4. The responsibilities of the Creative Officers may be divided between the 2 officers as per the skills, experiences, and workloads of the officers.
5. The Creative Officers will report to the Deputy Hackathon Director overseeing Communications and Creative, the Hackathon Director, and the SBCS PR Officer/Branding Manager in this order. In the event a Creative Officer is unable to fulfill their responsibilities, the responsibilities will fall on that Deputy Hackathon Director until a new officer can be appointed.

Section XII.H Hackathon Committee Selection Process

1. The Hackathon Committee will be decided through an interview process conducted by the SBCS executive board, the SBCS PR Officer, the SBCS Branding Manager, and any previous Hackathon Committee members from the year prior that are not re-applying. This group of people will be referred to as the interviewers.
2. This interview process must happen upon the conclusion of previous iteration of the hackathon
3. The interview process will follow the basic steps:
    - **a.** Each applicant will be reviewed and may be offered an interview based on the judgements of the interviewers.
    - **b.** At each interview for an applicant, at least 2 interviewers must be present.
    - **c.** Interview questions for each applicant will consist of general questions and questions specific to the role(s) to which the applicant is being considered for.
    - **d.** Notes will be taken at each interview and presented to the rest of the interviewers.
    - **e.** Based on the applications and interviews for each applicant, the Hackathon Committee will be decided by the interviewers in the following order:
        - **i.** Hackathon Director
        - **ii.** Deputy Hackathon Directors
        - **iii.** Logistics Officers
        - **iv.** Finance Officers
        - **v.** Communications Officers
        - **vi.** Creative Officers
4. Any applicant for the Hackathon Committee must:
    - **a.** Apply for a maximum of 3 positions and rank their choices in order of preference
    - **b.** Fulfill the requirements of the Hackathon Committee to be considered
    - **c.** Understand that they are prohibited from running in SBCS Elections in the spring unless they are preparing to give up their current role

Section XII.I Committee Meetings and Attendance

1. The Hackathon Committee must meet at least once per week during the active planning period of the hackathon. The Hackathon Director may adjust the meeting frequency as necessary.

2. Attendance at committee meetings is mandatory for all Hackathon Committee members.

    a. Absences may be excused for valid reasons, including academic obligations, illness, emergencies, or other circumstances approved by the Hackathon Director.

    b. Committee members must notify the Hackathon Director or their respective Deputy Hackathon Director in advance if they are unable to attend a meeting.

    c. Committee members who accumulate 3 unexcused absences during their term will be subject to a removal review in accordance with Section XII.J. This requirement does not supersede any additional attendance requirements established elsewhere in this Constitution.

3. Meeting minutes must be taken at every Hackathon Committee meeting, with the Deputy Hackathon Directors alternating responsibility for recording them.

    a. Meeting minutes must include attendance, major discussion points, decisions made, and assigned tasks and deadlines.

    b. Meeting minutes must be shared with all Hackathon Committee members within 48 hours after each meeting.

4. Meeting notes must also be taken during meetings with external sponsors, partners, and other organizations regarding hackathon-related matters.

    a. The Hackathon Committee members participating in such meetings will be responsible for ensuring that notes are taken.

    b. Meeting notes must include relevant discussion points, agreements made, and any follow-up actions or commitments.

    c. Meeting notes must be shared with the Hackathon Director and relevant committee members within 48 hours after each meeting.

Section XII.J Committee Member Removal and Vacancies

1. A Hackathon Committee member may be subject to removal for any of the following reasons:

    a. Accumulating 3 unexcused absences from Hackathon Committee meetings during their term.

    b. Repeatedly failing to fulfill assigned responsibilities or meet deadlines without a valid reason.

    c. Failing to maintain the general requirements for committee membership outlined in Section XII.

    d. Engaging in misconduct or behavior that negatively affects the operations of the Hackathon Committee.

2. A removal review may be initiated by the Hackathon Director or either Deputy Hackathon Director.
    a. The committee member under review must be notified of the reasons for the proposed removal and given an opportunity to respond.
    b. Any proposed removal must be referred to the SBCS Executive Board and handled in accordance with the applicable removal procedures outlined in Articles IX and X of this Constitution.
3. In the event of a committee member's removal or resignation, a replacement may be appointed through the selection process outlined in Section XII.H, subject to the special election requirement for the Hackathon Director in Section XII.B.
4. A removed or resigning committee member must transfer all relevant documents, accounts, and outstanding responsibilities to the Hackathon Director or their respective Deputy Hackathon Director.

Section XII.K Committee Authority and Decision-Making

1. The Hackathon Committee will have primary responsibility for planning, organizing, and executing the hackathon, under the leadership of the Hackathon Director.
2. The Hackathon Director will oversee all hackathon-related operations, while the Deputy Hackathon Directors will oversee their respective areas of responsibility.
3. SBCS Executive Board members who are not part of the Hackathon Committee must consult with the Hackathon Director or the relevant Deputy Hackathon Director before making changes to hackathon-related operations, procedures, or responsibilities, regardless of the scale of the proposed changes.
4. Major decisions affecting multiple areas of the Hackathon Committee must be discussed with the Hackathon Director and the relevant Deputy Hackathon Directors before implementation.
5. Important operational decisions, changes to existing plans, and assigned responsibilities must be documented and made accessible to relevant Hackathon Committee members.

Section XII.L Committee Transition and Handover

1. Outgoing Hackathon Committee members must complete all outstanding hackathon-related responsibilities, including post-event duties, before concluding their term.
2. Outgoing committee members must transfer all relevant documents, records, account access, contacts, and other materials to their successors or the Hackathon Director.
3. The outgoing Hackathon Director will be responsible for coordinating the transition between the outgoing and incoming Hackathon Committees.

4. Outgoing committee members must provide their successors with relevant information regarding their responsibilities, previous decisions, and recommendations for future hackathons.
5. The incoming Hackathon Committee may begin planning the next hackathon while the outgoing committee completes its remaining responsibilities.
